

The Lanark Animal Welfare Society Adoption Application

It is the goal of LAWS to ensure this potential adoption is in the best interest of both the animal and the prospective adopters. By filling out this application, you are applying to adopt a specific animal. Your application will be kept on file (along with others) and you will be contacted if you are chosen to be the most suitable home for that animal from the pool of applicants. LAWS reserves the right to refuse any adoption that is found unsuitable for the specified animal.
